NOTICE OF INFORMAL APPLICATION

This application is considered to be informal since it does not comply with the regulations for the reason(s) indicated below. The period within which to correct the informalities noted below and avoid abandonment is set in the accompanying Office action.

A. A new oath or declaration, identifying this application by the application number is required. The oath or declaration does not comply with 37 CFR 1.63 in that it:

- 1. does not identify the residence (e.g., city and either state or foreign country) of each inventor.
- 2. does not identify each inventor by full name, including the family name and at least one given name without abbreviation.
- 3. does not identify the complete post office address of each inventor.
- 4. does not identify the citizenship of each inventor.
- 5. does not state whether the inventor is a sole or joint inventor.
- 6. does not state that the person making the oath or declaration:
 - has reviewed and understands the contents of the specification, including the claims, as amended by any amendment specifically referred to in the oath or declaration.
 - believes the named inventor or inventors to be the original and the first inventor or inventors of the subject matter which is claimed and for which a patent is sought.
 - acknowledges the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.
- 7. does not identify the foreign application for patent or inventor's certificate on which priority is claimed pursuant to 37 CFR 1.55, and any foreign application having a filing date before that of the application on which priority is claimed, by specifying the application number, country, day, month, and year of its filing.
- 8. does not state that the person making the oath or declaration acknowledges the duty to disclose information which is material to patentability as defined in 37 CFR 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application which discloses and claims subject matter in addition to that disclosed in the prior application (37 CFR 1.63(e)).
- 9. contains non-initialed alterations (37 CFR 1.52(c)).

B. Applicant is required to provide:

- 1. Proof of authority of the legal representative under 37 CFR 1.44.
- 2. An abstract in compliance with 37 CFR 1.72(b).

C. OTHER: Inventors' signatures are not included.
